

COUNTING OUR BLESSINGS!

We have all been blessed in some way. Some days the blessings feel abundant and some days it may be a challenge to see blessings. But as people of faith, we know that God's grace is always surrounding us.

We will be starting a small column in the bulletin, Counting Our Blessings, where parishioners can share stories of God's blessings and moments of grace in everyday life. Grace can certainly multiply when it is noticed and shared!

In five sentences or less, let us know where God's grace and blessings are apparent in your life. We will print the witness stories in the bulletin as room allows.

You can email your "short" story to Fr. Jason at jjalbert@rcbm.org, or to Colleen Lang at clang@stjosephcathedralnh.org, or send them to the Rectory Office. (The Pastoral Staff reserves the right to edit as needed.)

From his fullness we have all received, grace in place of grace,... grace and truth came through Jesus Christ. John 1: 16-17
